1943

Published by the Senior Class  
Barnstable High School

To the students of our class in the armed services who have willingly gone to offer their services in this war, the class of nineteen hundred forty-three dedicates this edition of "The Barnacle."

**Moderato**

To Barnstable we sing adieu  
 Of pleasant years we've spent with you;  
 The friendly teachers through the years  
 Who helped to guide us toward careers.  
 We hope that we shall never fail,  
 As we traverse life's future trail,  
 To keep our faith in every rule  
 And in the honor of our school.  
 To classmates here and in the service,  
 The best of luck for those we'll miss;  
 The class of nineteen forty-three,  
 Dear Barnstable fore'er we'll be.

MISS NOBLE

MR. LEVINSON

IN the golden days of September, 1939, we as a body of students eager for learning matriculated at Barnstable High School. We were both "farmish" and rustic and hoped to receive a finished product of sophistication in this institution.

Our class was represented by Louise Holden and Barbara Horne in the National Forensic League. These people were contestants in the annual Massachusetts District Tournament held at Barnstable High School.

Members of the class appointed to the *Clipper* Staff were: Louise Holden, Barbara Horne, Janice Lapham, Sam Keavy, and Joseph James.

There was much musical talent in our class. Members of the orchestra were: Louise Holden, Marion Waller, Joseph Childs, Harriet Joyce, Jeannette Wirtanen, and William Babbitt. Band members were William Babbitt, Jack Baker, Murray Bain, Tom Regan, and Joseph Childs.

Freshman boys are usually rather young to compete with the older boys in football, but Mahoney and Babbitt upheld the Freshman banners and stayed with the team all season.

Basketball was interclass for the boys this year, but they played with determination and preparation for future hopes of making the squad.

With many fleet-footed boys in the class, the track team was well represented by: Howard Maki, John Edwards, Gifford Coggeshall, Charlie Brown, Jim Mahoney, and James Burlingame.

We had only one classmate who was able to compete with the older baseball candidates, Bill Babbitt.

In girls' basketball, Jeannette Wirtanen, M. E. Davies, Patricia, and Grenith Rood received their letters for vigorous play.

We returned again in 1940, a more experienced and determined group than before. We organized and pledged ourselves to work for the good of the class.

Bill Babbitt was voted dictator of the class and has acted as such ever since. His able assistant was Agnes Duthie. Jeannette Wirtanen was elected Secretary and Meredith Drew, Treasurer. Ruth Anderson and Kenny Webb were elected to Student Council.

As their work on the *Clipper* had been so well done, the same students remained.

The Massachusetts District Forensic Tournament was held in Northampton, Massachusetts. Barbara Horne and Joseph James represented the school in Dramatic Declamation with Joe placing first. Louise Holden took part in Humorous Declamation. Harold Malchman had become a member of the debating team, which also ranked first. All members of the debating team and Joseph James went to Kentucky to try for the National Championship after winning state honors.

Several musical talents were added to the orchestra, Edwina Montague, Barbara Taylor and Philip Leonard.

The Senior Dramatic Club welcomed sophomore actresses and actors, so we obliged them with Helen Johnson, Priscilla Otis, Mollie Robbins, M. E. Davies, Louise Holden, Ray Soucy, Charles Brown, Harold Malchman, Sam Keavy, and Kenneth Webb. The graduation class presented "The Count and the Co-ed," our participants being Jean Lovejoy, Agnes Duthie, and Phil Leonard. Many of us sang in the chorus.

Football calls for skill and many of our boys had become assets to the football squad. Barnstable claimed the Football Championship. Participants were: Giff Coggeshall, John Anestis, Sam Keavy, Ed Bennett, Jim Mahony, Bill Babbitt, Tom Regan.

In mid-winter basketball the squad received: Charlie Brown, Howard Maki, Jim Mahoney, John Edwards, Bill Babbitt, and Murray Bain. The squad played in the first game at Bourne with determination, but failed to claim victory.

On the baseball diamond in the spring, Jason Finkelstein, Giff Coggeshall, Bill Babbitt, John Edwards and Larry Lang held the bat for the class of '43.

On the cinder track, our representatives were: Howard Maki, Charlie Brown, Jim Mahoney, Murray Bain, Sam Keavy, and John Anestis.

The girls as well as the boys, participated in sports. On the basketball squad were: Georgie Dottridge, Rood twins, Esther Milne, M. E. Davies, and Harriet Joyce. In field hockey were: Ruth Anderson, Patricia Whiteley, Harriet Joyce, Priscilla Otis, and Helen Johnson, Agnes Duthie, Rood twins, Esther Milne, and Edwina Montague, manager.

We were fortunate to add Louise Holden, Priscilla Otis, and Helen Johnson to the cheerleading squad.

The *Clipper* staff was assisted by Warren Hansen, Harold Malchman, Louise Holden, Janice Lapham, Barbara Horne, and Ray Soucy.

We were back again in 1941—ambitious and ready to go ahead with whatever was placed before us.

The officers elected for this year were: President, Bill Babbitt; Vice-President, Sam Keavy; Secretary, Esther Milne; and Treasurer, Meredith Drew. Student Council Representative was Charlie Brown.

Our boys were quite elated now that they were eligible for strenuous play in football. The boys who played were: Edward Barry, Bill Babbitt, Edward Bennett, Sam Keavy, Dan Slavin, Jim Mahoney, and John Anestis. The latter two placed on the All-Cape Football Team.

The Basketball court claimed Jim Mahoney, John Edwards, Wilfred Calmas, Charlie Brown, John Anestis, Gifford Coggeshall, and Larry Lang. Of all seven we could be very proud.

Baseball didn't hold such a high interest. The only boys taking part were: Gifford Coggeshall, Larry Lang, and Jim Mahoney.

The girls participating in basketball were: Jeannette Wirtanen, Esther Milne, Norma Duquette, and the Rood twins.

Field hockey has always been a sport in which the girls take an active part. The squad claimed: Rood twins, Ruth Anderson, Priscilla Otis, M. E. Davies, Betsy Burch, Harriet Joyce, Harriet Smith, Meredith Drew, Louise Cox, Althea Taylor, Mildred Bearse, Esther Milne, and Edwina Montague, manager.

As in every year, our class presented the Junior Class Play, "You Can't Take It With You." The entire cast was comprised of Junior class members. Roles were taken by Priscilla Otis, Louise Holden, Ken Webb, Wilfred Calmas, Barbara Horne, Sam Keavy, Phil Leonard, Ed Barry, Betsy Burch, Ed Bennett, Harriet Joyce, Warren Hansen, Marguerite Busch, John Anestis, Harold Malchman, Gifford Coggeshall. The performance was spectacular and congratulations go to Miss Coffman for her work in training the cast and planning an attractive setting.

On the social side, we presented a Columbus Day Dance and the annual Junior Prom. We were unusually fortunate in finishing the prom with seventy-nine cents to the good.

In the fall of 1942 the class came back intact. The school curriculum was unsettled due to war conditions. We were sorry to find Mr. Taft, Mr. Jordan, Mr. Hodgkinson, Mr. MacSwan, Mr. Fair, and Mr. Connor were missing from the faculty. But we feel assured that our loss is Uncle Sam's gain.

The class officers installed were as follows: President, Bill Babbitt; Vice-President, Wilfred Calmas; Secretary, Esther Milne; Treasurer, Meredith Drew; Student Council, Claire Bearse.

When Coach Leo Shields, who became coach after Mr. MacSwan left, issued the first call for football candidates, we were pleased to find so many of our members out for football. Sam Keavy, Ed Barry, Ed Bennett, Ed Landers, John Anestis, Jim Mahoney, Gifford Coggeshall, Bill Babbitt. The latter five made the All-Cape Team with John Anestis as co-captain. They also won the All-Cape Championship. After our memorable victory over Falmouth on Thanksgiving, our boys put away their football togs, never to play for Barnstable High again.

Due to gas rationing, the basketball schedule was undecided, but the boys appeared at practice in hopes of being able to play. Those on the squad were: Gifford Coggeshall, Captain; John Edwards, Ed Bennett, Bill Babbitt, John Anestis, Wilfred Calmas, Larry Lang, and Howard Maki. The team played well, and Gifford Coggeshall and John Edwards were elected to the All-Cape Team, with John being captain.

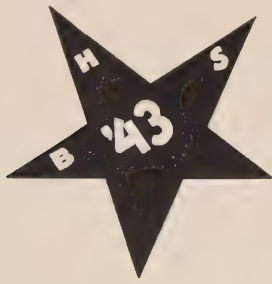

The girls planned on playing, but due to lack of transportation were unable to have any games. The girls who went out, however, were: Rood twins, Helen Johnson (captain), Jeannette Wirtanen, Esther Milne, and Mildred Bearse.

The field hockey team was all seniors. We played only two games, but the girls reported faithfully for practice. On the team were: Priscilla Otis, captain; Rood twins, Ruth Anderson, Helen Johnson, Jeannette Wirtanen, Meredith Drew, Betsy Burch, Harriet Smith, Althea Taylor, M. E. Davies, and Louise Cox.

Many of our boys have heeded our country's call, so have joined the armed forces. For those that remain, the school has adopted an obstacle course to train the boys for physical fitness.

With our four years' history behind us, we face a troubled present and an unsettled future, but we shall always remember those happy days at Barnstable High School.

THIS year's football team, with a record of seven victories, one defeat, and one tie, was one of the finest teams that Barnstable has experienced. Under the careful supervision of Coach Leo Shields and Assistant Coach John Linehan, the team won the Cape Cod Championship, defeating the squads of other Cape schools without much difficulty.

The following Barnstable boys made the All-Cape Team: John Anestis, Jim Mahoney, Gifford Coggeshall, Bill Babbitt, Edwin Landers, Percy Brown. John Anestis was elected one co-captain of the All-Cape Team.

The season started off very well with Barnstable winning from Nantucket 46 to 6. The next game was an easy victory over Yarmouth, 43 to 6, which was followed by another over Falmouth, 12 to 0. After the victory over Falmouth, Barnstable jour-

neyed to Taunton, where they lost 12 to 0, in a hard fought battle, the only defeat of the year. Then followed wins over Provincetown, 21 to 0; Fairhaven, 15 to 0; and New Bedford Vocational, 16 to 0. Barnstable's game with the Maritime Academy resulted in an 0 to 0 tie. The season closed when Barnstable played her regular Thanksgiving game at Falmouth, emerging triumphant with a score of 19 to 0.

## Boys' Basketball ★

THE 1942-'43 basketball season was quite successful with six victories and two defeats. The victories for Barnstable were: the Maritime Academy, 38-21; Sandwich, 34-9; Orleans, 46-25; Yarmouth, 27-38; Orleans, 39-26; and Yarmouth, 40-30. The two games lost were both with Bourne, 19-27 and 38-29.

Gifford Coggeshall and John Edwards made the All-Cape First Team, of which John Edwards was captain.

## ACTIVITIES

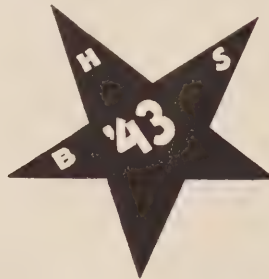

BECAUSE of the reorganization of schedules to accommodate special wartime training and the shortage of fuel oil and gasoline, many of our activities have been cut down. We feel we would like to mention the fine work of the Student Council under Mr. Broadbent's direction in carrying on school elections, the excellent work of Miss Brink and the *Clipper* Staff in printing our school magazine and the work of the Music Department under the direction of Mr. Griffiths and Miss Barton in keeping things going much as usual.

Few public performances of these latter groups have been possible this year but those have been very favorably received.

A new activity called "Victory Corps" is now functioning in the school. It is divided into general, Air, Land, Sea, Production and Community interests. Only Senior High School students can take part.

For the whole school the Junior Red Cross has been an active group. The work of this organization has been planned and executed through a council made up of one representative from each home room.

Baseball and track activities are occupying the minds of the athletic enthusiasts at the time that this book goes to press.

# NORTHEASTERN UNIVERSITY

## College of Liberal Arts

Offers a broad program of college subjects serving as a foundation for the understanding of modern culture, social relations, and technical achievement. Students may concentrate in any of the following fields: Biology, Chemistry, Economics, Sociology, Psychology, Mathematics, Physics, and English. Pre-Medical, Pre-Dental and Pre-Legal courses are offered. Varied opportunities available for vocational specialization. Degree: Bachelor of Science or Bachelor of Arts. Admits men and women.

## College of Engineering

Offers curricula in Civil, Mechanical (with Aeronautical option), Electrical, Chemical, and Industrial Engineering. Classroom study is supplemented by experiment and research in well-equipped laboratories. Degree: Bachelor of Science in the professional field of specialization. Admits men and women.

## College of Business Administration

Offers the following curricula: Accounting, Marketing and Advertising, and Industrial Administration. Each curriculum provides a sound training in the fundamentals of business practice and culminates in special courses devoted to the various professional fields. Degree: Bachelor of Science in Business Administration. Admits men and women.

## School of Law

Offers day and evening undergraduate programs leading to the degree of Bachelor of Laws. A minimum of one-half of the work accepted for a bachelor's degree in an approved college or its full equivalent is required for admission to this School. Case method of instruction. Admits men and women.

## School of Business

Offers curricula through evening classes in Accounting, Management, and Engineering and Business, leading to the degree of Bachelor of Business Administration in specified fields. Preparation for C.P.A. Examinations, private accounting, and for the various fields of business and industrial management. Short intensive programs may be arranged. Co-educational.

## Evening Courses of the College of Liberal Arts

Certain courses of the College of Liberal Arts are offered during evening hours in the fields of Economics, English, History, Government, Mathematics, Psychology, Physics, and Sociology. A special program preparing for admission to the School of Law is also available. The program is equivalent in hours to one-half the requirement for the A.B. or S.B. degree. Associate in Arts title conferred. Special courses may also be arranged. Co-educational.

## Co-operative Plan

The colleges of Liberal Arts, Engineering, and Business Administration are conducted on the co-operative plan. After the freshman year, students, both men and women, may alternate their periods of study with periods of work in the employ of business or industrial concerns at ten-week intervals. Under this plan they gain valuable experience and earn a large part of their college expenses.
